### NOTICE.

**SEVERAL** Advertisements in the various Calcutta papers, purporting to have been published by the Lessee of the Stone Quarries of Mirzapore and Chunar, especially the two Advertisements in the *Englishman* newspaper of the 3d and 5th of May, herewith annexed, having been brought to the notice of the Sudder Board of Revenue North Western Provinces, it is hereby notified that no lease of the Stone Quarries has been granted to any person whatever. The Stone Quarries are by law open to the public, and every person is free to quarry such Stones as he may require, and to remove them so soon as he shall have paid the duty fixed by law on the sort of Stones taken.

A lease of the Government duty on Stones quarried in Chunar and Mirzapore was given to Mr. Menzies of Chunar, with a condition of forfeiture on the occurrence of any illegal proceeding. Numerous complaints have been made to the Sudder Board of illegal proceedings on the part of the said Lessee, and the case is under consideration of the Board. But the Board have directed the publication of this notice in order to prevent the public from remaining under an erroneous impression that any person had acquired a title to interfere with the full right of all persons to quarry Stones as heretofore, and remove them on payment of the duty.

By Order of the Sudder Board of Revenue North Western Provinces,

H. M. ELLIOT, Secretary.

### CAUTION.

The Lessee on the Stone Mehals in the District of Mirzapore, begs to caution the public from entering into any agreement or giving support to any person or persons offering to supply Stones from the above quarries without the sanction and approval of the undersigned.

Smuggling to a considerable extent not only by Natives but also Europeans, having been detected, it is hereby notified in order to prevent any one from pleading ignorance hereafter, that no Stones, new or old, or of any description, can be removed from any one place to another until provided with a Pass or Rowannah, without subjecting themselves to the disgrace of being styled smugglers or thieves, and prosecuted as such to the utmost rigor of the law.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

*The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.*

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk: Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

*Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.*

The Stone Quarries are by law open to the public, and every person is free to quarry such Stones as he may require, and to remove them so soon as he shall have paid the duty fixed by law on the sort of Stones taken.

Numerous complaints have been made to the Sudder Board of illegal proceedings on the part of the said Lessee, and the case is under consideration of the Board. But the Board have directed the publication of this notice in order to prevent the public from remaining under an erroneous impression that any person had acquired a title to interfere with the full right of all persons to quarry Stones as heretofore, and remove them on payment of the duty.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

of Maunds 50, or Maunds 100 each, as Maunds 150,  
Maunds 200, Maunds 250, Maunds 300, Maunds 500, &c.

2d. The Salt will be deliverable in same manner and  
upon the same documents as heretofore from the several  
Ghauts and Golahs.

3d. The price of each description of Salt deliverable at  
the several Ghauts and Golahs will be specified from time  
to time by Public Notifications.

4th. Parties desirous to purchase Salt from Ghaut  
or Golah, must pay the price at the rate fixed for such  
Salt into the General Treasury, and upon the production  
of the Sub-Treasurer's Receipt for the amount at the  
Board of Customs, Salt and Opium, with a written appli-  
cation stating the quantity of Salt required, and the  
Agency and Ghaut from whence it is deliverable, the

Ghaut or Golah specified, the quantity of Salt applied for)  
an order upon the Salt Agent, or Superintendent of the  
Sulkea Golahs, to deliver the quantity of Salt purchased,  
such order will be accompanied by the usual protective  
documents which will be negotiable as at present.—In the

liest numbers of Office registry.—If the Salt be not cleared  
within three months, from the date of the Board's Order  
for delivery, Golah rent and wastage will be charged at the  
rate of four (4) Rupees per mensem for each 100 Maunds.

5th. No reduction will be made in the price of any Salt,  
the price of which has been fixed and publicly notified  
without a previous notice of ten days, or a longer notice,  
should it appear desirable to the Board of Customs, Salt  
and Opium.

6th. Seized, damaged, and inferior Salt, will be offered  
for Sale at such prices as may be equitable with reference  
to the quality of the Article, and in such quantities as the

7th. All notices in regard to any reduction in the price  
of Salt, sold from Government Golahs, will be inserted in  
the Calcutta Gazette, and copies will be appended at the  
Office of the Board of Customs, Salt and Opium, and such  
other places as may be determined by the Board.

8th. Government do not contemplate the necessity of  
renewing the system of Public Sale, but should a recur-  
rence to that system become indispensable, two months  
notice of the same will be given, and the notice will specify  
the upset price per hundred Maunds at which each des-  
cription of Salt will be offered for Public Sale after the  
expiration of two months from the date of such notice.

9th. All the provisions of the Salt Regulations are  
equally applicable to Salt purchased under this Notification  
as to Salt heretofore purchased at the Public Sales.

10th. The above Conditions will remain in force until
